

# CONSTRUCTION ALERT

## Country Club Drive to Walnut Canyon National Monument

The Arizona Department of Transportation, in cooperation with Southwest Asphalt Paving are working along I-40 between Country Club Drive (Exit 201) and Walnut Canyon National Monument (Exit 204). Beginning Wednesday, June 14, 2006 through Friday June 16, 2006 traffic will be reduced to one lane while crews pave both the east and westbound lanes of interstate 40. Speeds in the construction zone have been reduced, so please adhere to all traffic control signage.

### Project components include:

- ✓ repaving both the east and westbound lanes along I-40
- ✓ updating guardrails to new standards
- ✓ adding safety features and aesthetic treatments to the Walnut Canyon and I-40 traffic interchange

ADOT and the construction contractor thank you for your patience while we finish the final phase of this project.
